OnePlus 3 camera glass is broken? Get camera blurred issues? Wanna improve the glass lens on your OnePlus 3? Although the glass replacement of Samsung S7 is suitable for OnePlus 3. Still strongly recommend for an original OnePlus 3 Camera Glass. This repair guide would tell you how to repair the camera glass of OnePlus 3 in two ways. The first way can be easy operation, and the second way can be safely for the rear camera, but required rear housing removal. But notice that the S7's camera glass installation must be carefully like the video showed. DIY to make your OnePlus 3 camera work again.

The second way required for metal cover removal. The video of the metal cover removal of OnePlus 3: <https://www.youtube.com/watch?v=CgS7U...>
